Dear patient covered by Aetna or Coventry,

First Choice Neurology is proud to announce that all of its providers have earned the maximum score in quality from the Center for Medicare and Medicaid Services thru Merit Based Incentive Program (MIPS). We work hard every day to be **your** choice for care.

Unfortunately, First Choice Neurology (formerly Neuroscience Consultants) contract for Coventry Health Plan was terminated by Aetna the parent company with an effective date of 5/31/2018. We want to be able to provide uninterrupted neurology and pain management services to you. This means that First Choice Neurology 92 providers serving 5 counties in Florida and 36 different hospitals will no longer be able to provide services in our office, but more importantly all services provided in the hospital will be based on your out-of-network benefits in case of any emergency services.

If you would like to be certain that you will be able to continue treatment with your FirstChoice neurologist or if you would like to see one of the other 92 First Choice Neurology providers, you can do so by enrolling in an insurance plan through one of the insurance companies listed here:

AvMed
Care Plus
Cigna
First Health/MultiPlan/PHCS
Humana
Medicare
Neighborhood Health Plan
Simply Healthcare
United Healthcare

If you are considering changing your medical insurance coverage, please call our office first to verify we are able to provide you with uninterrupted service.

These plans, and a list of our neurologists by location, can be found on First Choice Neurology's website.

If you have questions or need additional information, contact us and we will put you in touch with one of our offices. (786) 924-1311 or www.FCNeurology.net

If you would like to express your concern or disappointment to Aetna or Coventry that we may not be participating providers, you can contact them through the following channels:

1. Contact the Aetna executive below the parent company to Coventry:

June Scott: 305-222-3013 or June.Scott@Aetna.com

2. Call the number on the back of your insurance card

3. Post on:

a. Facebook: www.facebook.com/Aetna/

b. Twitter: <https://twitter.com/Aetna?lang=en>

c. Instagram: <https://instagram.com/Aetna/?hl=en>

Please know that you and your health are important to us. We are committed to your care and hope that you are able to choose a plan through which we can continue to serve you.

Sincerely,

First Choice Neurology
