

Chronic Inflammation: Is this really what's affecting you?

Tuesday, January 30 • 7 – 8 p.m.

Baptist Health Resource Center
8950 North Kendall Drive, Suite 105

Featured Speaker: Eileen Higgins, M.D., F.A.C.S.

Dr. Higgins will help you understand how and why inflammation increases, and offer suggestions on how to reduce it. Inflammation impacts many diseases: diabetes, arthritis, hypertension, neurodegenerative diseases, fibromyalgia, cancer... and the state of wellbeing itself.

Space is limited and registration is required.
